The UltiMate Relationship Seminar was packed with powerful tools that helped me to understand and integrate deeper knowledge of the dynamics of male/female relationships, including the true meaning of tantra. I gained a new level of understanding about the chakras, and learned to use the circles of intimacy to set healthier boundaries. Learning the five levels of compatibility will definitely change my life in how I choose relationships in the future. Thank you for a great weekend! **Richelle Jarrell, Author, Reiki Teacher, Yoga Student**

"I cannot recall ever having made a better investment. The information Jeffrey presented as a 'ring of truth' quality to both my intellect and heart."
Josh Beaulieu Health Care Practitioner

We learned in a weekend what would of taken us years. We were able to define our personal relationship and learn new strategies for focusing us on the real issues - of loving more. **Sonja Picard, Designer**
