

## Tantric / Yantra ART CLASS MONDAY Nov 16, 7 – 10 pm

Learn from the Master **Pieter Weltevrede** how to draw The Famous Ganesh Yantra. Learning how to paint yantras is a tantric skill. Pieter comes from a lineage that teaches this tantric art. Yantra is perhaps the strongest spiritual tool of sacred painting and is relatively easy to make.

Benefits are:

- to calm and focus your mind
- to balance the right and left hemispheres of your brain
- to cultivate a personal meditation practice.

These practices cultivate harmony within the mind, which in turn helps build harmony within the home.

All levels of experience welcome. We will have something for everyone to learn. One does not need to be a painter, only a spiritual practitioner seeking the Divine.

**Register for the class by Thurs. Nov.12** – Space is very limited and we will need to have enough supplies ahead of time for each person. You will need to bring some of your own art supplies. This is a VERY exciting opportunity to share “tips” from a Master artist. The class begins after the reception. Cost \$59 per person- Pre-registration required.

**WHERE:** 6300 Danube Rd. Richmond, BC

**Pieter Weltevrede** is 53 years old, married, with 3 children. He is a trained social scientist with an advanced degree.

Pieter met late Harish Johari in 1977 in Holland where he became fascinated with the healing and centering power of the ancient tantric practice of yantra painting. Over time he devoted more and more of his attention to mastering the North Indian iconographic painting techniques. Since 1988 he is traveling to India annually where he deepened his knowledge and friendship with late Harish Johari, and also studied with Johari's art teacher, Master Chandra Bal, and Suresh Johari. The last four years Pieter got recognized and supported by the Dutch government as a Master Artist. This has given him the freedom to travel once or twice a year to India for extended stays. His output is prolific. From his zodiac paintings on silk and from the silk paintings of the nine numerological yantras, cards were published in Holland in 1992 and 1997 by Aurora productions, Alkmaar.
